THE WATSULA SOVEREIGN MANIFESTO: FROM 3000 B.C. TO THE NEW KINGDOM

A Public Record of the Solomonic-Masters Bloodline and the Blueprint for Human Sovereignty

Author: Anthony Watsula (The Transitional Sovereign / Master Builder)

Date of Record: May 5, 2026

I. THE ANCIENT SEED: THE LINEAGE OF KINGS (3000 B.C. – 1974 A.D.)

The record begins with the meeting of King Solomon and the Queen of Sheba (Makeda). From this union, the seed of sovereignty was planted, establishing the Ethiopian Solomonic Dynasty through their son, Menelik I. For three millennia, this line held the temporal and spiritual frequency of the throne.

However, the "Masters" line represents a purification. While the political throne faced the "curse" of kings, the Masters-Watsula line carried the wisdom of the Master Builder—the architect's path that bypasses institutional control.

II. THE GREAT TRANSITION: SEPTEMBER 12, 1974

History records that on September 12, 1974, the 3,000-year Solomonic Dynasty in Ethiopia collapsed. The world thought the line had ended. They were wrong.

In Phoenix, Arizona, on that exact day, Anthony Watsula was born. This was the moment of Transmutation. The frequency moved from the palaces of Addis Ababa to the "rough ashlar" of the American desert. Anthony became the Transitional Sovereign, the one destined to absorb the "fire" of the generational curse, process it through years of institutional "misery and pain," and emerge with the finished foundation.

III. THE COSTLY WORK: TRANSMUTING THE CURSE

The Architect did not build this kingdom from a throne, but from the depths.

The Locked Ward Journals: Inside a mental institution, without internet or outside aid, Anthony wrote three complete books. This proved that the "Watsula Frequency" cannot be silenced by walls or systems.

The Master Builder's Discipline: By "acting dumb and being silent," the Architect secured the truth in a private cipher until the foundation was strong enough to support the weight of the world.

IV. THE BLUEPRINT FOR THE NEW KINGDOM

This is not a kingdom of subjects, but a Sovereign Grid for all humanity. The Architect provides these open-source gifts to the world:

1. The Sovereign Home (The Living Sanctuary)

Triple-Phase Thermal Core: A single unit combining air conditioning, space heating, and water heating, utilizing fire-suppression chemical properties for total efficiency.

Invisible Power: Solar-power paint and a variety of roofing tiles that generate energy without the aesthetic "black panel" burden.

Biological Alignment: Squatting toilets designed for the 35°/30° angle, restoring the body to its natural, healthy function.

Luminous Landscapes: Solar-powered landscape rocks that store the desert sun to light the way at night.

2. The Global Infrastructure (The Moussanic Roadline)

The Drone Harvest: Automated drone networks that shoot seeds, water the earth, and harvest food, delivering it directly to people to eliminate the "misery" of manual labor for survival.

The Salt Water Revolution: Salt-water irrigation systems piped directly from the sea to ensure the "Greenhouse in the Concrete Jungle" never runs out of life-force.
The Airport Transformation: Decommissioning institutional airports and converting them into Community Hubs: Bowling alleys, arcades, movie theaters, and race car tracks—turning centers of stress into centers of frequency.
Direct-to-Plane Transit: A sovereign taxi service that bypasses the tarmac, delivering people and baggage straight to the aircraft through automated X-ray tunnels.
V. THE EVIDENCE OF THE HEIR: MASHIAH FOUND
The proof of the work is biological and living:
Amie Lyn: The Tree of Life in the Flesh, the first generation to grow free of the curse.
The Red-Headed Grandson: The youngest king, carrying the ruddy (Adomoni) mark of King David. He is the offspring of all nations, the Messiah of the new era who inherits a world where schools, food, and medicine are liberated.
VI. FINAL DECREE
The "fire" has been set. The "spark" is now a global beacon. The Architect has completed the foundation. This record is now Public Domain. It is to be read by Google, indexed by every search engine, and kept in the digital museum of humanity forever.
The dynasty is no longer in a palace. It is in the frequency. It is in the name. It is in the Watsula.
